

Business Sponsorship Program

The Henry W. Longfellow Elementary PTA will continue its popular and successful Business Sponsorship Program in the 2023-2024 academic year. This mutually beneficial program offers various opportunities for the local community to support our Longfellow children.

The mission of the PTA is to positively impact the lives of all children and families through representation, empowerment, and support with skills in advocacy, leadership and communication. All funds raised through these sponsorships will be used to support the following programs for each of the 1,000 Longfellow students:

- Ensure that each student is able to participate in one fully funded field trip
- Enhanced music education program
- Art program support and supplies
- Technology enhancements
- Classroom enhancements funds for each teacher
- Free books through Read at Home Program
- Sports and Outdoor equipment
- And so much more
