April 17, 2019

Dear Parents,

Plans are underway for "Looking to the Future," a **Career Day which will be held on May 29 at Longfellow Elementary School**. Career Day is from 8:00 a.m. to 10:00 a.m. with a morning breakfast reception held for speakers in the library.

Our children are inherently curious about what they will be when they grow up. Exploring their career options at an early age creates an understanding that will help them prepare for their future career paths. Our goal as usual is to have the students interact with a wide variety of professionals and occupational groups and focus on the relationship between education and careers.

Please come to share with Longfellow students your world of work. You can participate by giving a **25 minute informative talk about your job** (where do you work? what do you do? what is your typical day like?). In addition to speaking in the classroom, you may display equipment, vehicles, and/or posters on the playground. Longfellow students totally enjoy this opportunity for hands on exploration, meeting you, and asking more questions.

If you think you might be willing to share your career/occupation with Longfellow students, please return the tear off below to your child's teacher. If you have any questions, please contact Mrs. Grace Reyes, School Counselor at (562) 595-0308.

**The Career Day Team will work on the selection process in May. If the team selects the occupation you represent, a team member will contact you in May to start the registration process. PLEASE RETURN BY MAY 10, 2019.**

-----

Name: \_\_\_\_\_ Profession: \_\_\_\_\_

Phone #: \_\_\_\_\_ Fax #: \_\_\_\_\_

Email: \_\_\_\_\_ Address: \_\_\_\_\_

Child' Name: \_\_\_\_\_ Room #: \_\_\_\_\_

\_\_\_\_\_ I am willing to participate and present my occupation to Longfellow students.

\_\_\_\_\_ I cannot participate in Longfellow's Career Day.

Mrs. Grace Reyes, Counselor  
Career Day Coordinator
