PLEDGESTAR DONATIONS

Pledgestar is a web based fundraising system that will send email pledge requests to your family and friends, and let them make a secure credit or debit card donation. It's fast and it's EASY!

1. Go to <http://pledgestar.com/longfellow>
2. Enter your name and email address, then click "Register".
3. Follow the on-screen instructions.
4. Add the email addresses of all family and friends you'd like to contact.
5. Select a JPG photo of your child to add to the fundraising page.

When you finish, the system emails pledge requests to your family and friends. You will be notified by email each time a pledge is made, and you can track your pledge request progress online.

★ **Receive 5 opportunity tickets for creating a Pledgestar page and sending out 10 emails.** ★
 Share your child's donation page on Facebook!
